EXTRA-CURRICULAR ACTIVITIES

SKREAM Event Head

Somaiya College of Engineering

Feb, 2023-Mar, 2023

My duty was to bring as many participants as I can find from the entire country and during the course of events I had to conduct the particular sport I was in charge of which was carrom.

INTERNSHIP EXPERIENCES

SONY PICTURES AND NETWORKS

JAN, 2023-FEB, 2023

Graphic Design Intern

I worked as a graphic design intern at Sony for 1 month and I was in charge of the daily serial thumbnails of different SAB, AATH, and MARATHI channel shows. I also made YouTube banners for different movies over the course of time.

YOCKET

FEB, 2022-AUG, 2022

Graphic Design Intern

I worked as a Graphic Design Intern at Yocket where I had to design cover images for blogs and info-graphics as my day-to-day job. I used to work with different content creators and used to make cover images for their personalized study abroad blogs.

INTERNSHALA

APR, 2022-AUG, 2022

Internshala Student Partner

I was the Internshala Student Partner (ISP) for Internshala and represented my college K.J Somaiya College of Engineering.

My job was to get in touch with as many students from my college to be a part of Internshala's programs and spread awareness and knowledge about the importance of doing training and internships.
